

Call for Interns

Are you passionate about the environment, technology, and driving positive change across the African continent? Do you dream of being part of a dynamic team dedicated to pioneering innovative solutions for a sustainable future? If so, we want YOU to join our team!

About Us:

At [NIKO GREEN](#), we are on a mission to enable Africa's transformation into a climate-smart, circular, low-carbon, and tech-driven powerhouse. Our work spans industries, borders, and cultures, and is driven by our dedication to make an impact while creating a brighter, greener future for Africa.

Who We're Looking for:

We're seeking open minded, self-driven, enthusiastic and dedicated individuals with a **passion** for sustainability, technology, and innovation. Whether you're a budding climate warrior, a tech-savvy sustainability champion, or a circular economy enthusiast, if you're ready to roll up your sleeves and make a difference, we want to hear from you! Other qualifications are follows;

- Degree in Environmental Science, Natural Resources Management, Sustainable Development, Sustainability and related fields. Preferably final year of the BSc or undertaking MSc.
- Excellent research, analytical, and problem-solving skills.
- Excellent written and verbal communication abilities.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint).
- Ability to work both independently and collaboratively in a team environment.
- Previous work experience related to sustainability consulting is a plus.

Terms of Reference:

This is a **6-month hybrid role** and successful applicants will work both remotely and at our offices. Interns will;

- I. Assist in execution of our core offerings i.e. Sustainability Reporting; Sustainability Storytelling; Research & Analytics; Policy Advisory & Advocacy; Assessments & Audits; and Training
- II. Assist in planning and execution of various initiatives, including events, programs, and projects.
- III. Carry out research on various relevant topics as requested.
- IV. Support the creation and distribution of engaging content across our digital platforms.
- V. Support in administrative assignments whenever required.

How to Apply:

Ready to embark on this exciting journey with us? Send your **resume** and a compelling **motivation letter** to info@nikogreen.com with the subject line, “Application for Internship” by **6th Nov 2023**.

Join us in driving Africa's sustainable future! Together, we can create a world where innovation meets sustainability, and every effort counts.
